The Ascension A30, 30 watt guitar speaker, has been voiced to offer more crunch for classic vintage guitar tones.

Fitted with an Alnico magnet it provides a smoothness and warmth throughout its mid-range and delivers the classic, shimmering alnico chime, detailed top-end coupled with a tight low-end punch that will give your sound new life. Clean tones are crisp, clear and articulate.

Best suited when used with single, 2x12 cabinets and various boutique amplifiers. The A30 can also be combined with our F30 driver for complimentary alternative sound.
